PHIL NEAL

LOOKING at the way things have gone for us so far, it is obvious we have had a contrasting start to what we had last year. But we have successive home games, starting tonight against Mansfield, to put things right.

Our need for League points is crucial but I can assure everyone who comes through the turnstiles that no-one within the club is dropping his head. As far as the team goes, we feel we are just a whisker away from getting it

right. However, as I have stressed so often, we have got to earn our rewards. It is no use expecting things to happen—we have got to make things happen.

I'm sure you will all want to welcome Mark Seagraves to the fold. I am confident he will be a valuable asset to the club for a long time to come. He clearly found it hard going in his first game at Coventry—understandable in view of his shortage of first team football recently. But I was delighted with the mental attitude he showed. It was a very pacey game for him under the circumstances but he stood up very well indeed to the challenge.

Collectively we were disappointed not to get the result we wanted at Wigan, where things went against us once again. But we must make no excuses and collectively we must be determined to get it right, starting tonight.

An update of today's opposition

MANSFIELD TOWN

THIS evening we welcome the players, officials and supporters of Mansfield Town to Burnden Park. Like the Wanderers, Mansfield have made a disappointing start to the season and have only one League win so far, 2-0 at Wigan on the opening day of the new campaign.

Since then Mansfield have drawn once (2-2 at home to Cambridge) and lost five League games while also suffering a first round knock out in the Rumbelows Cup, losing 1-4 on aggregate to Fourth Division Cardiff City. Last Saturday the Stags suffered a 0-1 home defeat at the hands of Southend United, a 78th minute goal by Benjamin deciding the issue.

After ending six years in the Fourth Division with promotion in 1986, Mansfield won the Freight Rover Trophy at Wembley in 1987, beating Bristol City on penalties after a 1-1 draw. Only four players remain at the club from that happy day—George Foster, Kevin Kent, Mark Kearney and Ian Stringfellow. Foster, a tower of strength at the heart of defence, is now player-manager.

Last season was a bit of a struggle for Mansfield, who eventually pulled up to 15th place, five points ahead of the relegation zone, after spending much

of the campaign dangerously close to the bottom four. Mansfield earned 41 of their 55 points on home soil, winning on only three occasions on their travels, at Chester, Shrewsbury and Northampton. Mansfield scored only 16 League goals away from home and the lack of scoring power has continued so far this season.

With more or less the same team as last season, the only addition being midfielder Martin Clark from Notts Forest, Mansfield are hoping that many of their promising young players emerge up through the ranks to earn a regular first team place to complement their more experienced players and make relegation worries disappear.

Goalkeeper **Andy Beesley** was signed from Luton Town on a free transfer in 1984 but it was only last season that he began to feature regularly in the Stags' first team. The 26 year old Sedgley born Beesley had been understudy to Kevin Hitchcock and Brian Cox, and now faces competition from 19 year old Jason Pearcey, a product of the club's youth policy, who has made half a dozen League appearances so far.

26 year old defender **Malcolm Murray** was a £30,000 signing from Hull City last December. Formerly with Hearts, where he gained European experience, Murray was a direct replacement for Craig McKernon who joined Arsenal, and has been ever-present since moving to Field Mill. 28 year old Ormskirk born **Mark Kearney** was signed from Everton in 1983. midfielder has since clocked up 237 League appearances for Mansfield despite missing the majority of the 1987-88 season after breaking a leg. Kearney was spotted by Everton playing for NPL side Marine but failed to break into the League side at Goodison Park. Player-manager George Foster, in charge at Field Mill since taking over from former Wanderers manager Ian Greaves in February 1989, is a vastly experienced defender who is nearing 600 League appearances. Foster, 34 last Wednesday, made his League bow with home town Plymouth in 1973-74 and spent ten seasons at Home Park. After a short spell with Derby he moved to Mansfield in February 1983. He has also spent loan spells at Torquay and Exeter. Defender Wayne Fairclough, an £80,000 pre-transfer deadline signing from Notts County last season, made 71 League appearances at Meadow Lane. The 22 year old made his Mansfield debut against Bolton at Field Mill last March. 25 year old Newark born defender Mark Smalley joined Mansfield last season from Leyton Orient after a loan spell. Formerly with Notts Forest, where he made only a handful of League appearances, he made his 100th League appearance last season.

Another former Notts Forest player is 21 year old Uddington born midfielder Martin Clark. Signed by Brian Clough from Clyde in 1988-89, he failed to break into the League side at the City Ground and spent a loan spell at Field Mill late last season. Mansfield made the move a permanent one shelling out a reported

£50,000 a few weeks ago. 25 year old Kevin Kent has been a regular in Mansfield's side since moving from Newport in 1985. Kent, who scored Mansfield's goal at Wembley in the 1987 FRT Final, made his 200th League appearance for the Stags late last season. The Stoke born forward began his career at West Brom. 22 year old Worksop born Steve Chambers has played in every game so far this season and shows signs of establishing himself as a first team regular after making only 25 League appearances in his four seasons at Field Mill since moving from Sheffield Wednesday.

Front runner Steve Wilkinson was Mansfield's top League scorer in his first season at Field Mill in 1989-90. The 22 year old, signed from Leicester for £80,000

scored 15 goals including all five in Mansfield's 5-2 home win over Birmingham City. The experienced Trevor Christie, whose tally of 139 League goals has been chalked up with Leicester, Notts County, Notts Forest, Derby, Manchester City and Walsall, joined Mansfield for £30,000 in March 1989. The 31 year old striker began his League career in 1977-78 and has since made around 470 League appearances. 21 year old Nottingham born forward Ian Stringfellow is now in his sixth season at Field Mill. Injury and illness restricted his appearances in the last two campaigns but, now fighting fit again, he is regarded as a fine prospect.

30 year old midfielder Steve Charles, who scored Mansfield's goal in the 1-1 draw at Burnden last Sep-

tember, has missed only a handful of games for the Stags since moving from Wrexham in 1987. Formerly with Sheffield United, his home town club, Charles is nearing 400 League appearances with a highly respectable 74 goals to his credit. Former trainee Kevin Gray is an 18 year old defender who made his League bow in May 1989. He is another highly promising recruit from Mansfield's youth policy. 22 year old forward Graham Leishman was signed from Irlam Town in December 1988 and will be looking to establish himself this season while 20 year old David Hodges has already made 80-odd league appearances for Mansfield and is regarded as another likely prospect.

ITS A GIRL!
CONGRATULATIONS to programme contributor Michael Latham and his wife Janet on the arrival of their little girl, Jennifer, last Thursday, 27th September, 1990.

The draw for the Preliminary Round of the Leyland DAF Cup—the knock-out competition for Third and Fourth Division clubs—was made last week.

The sponsorship of the competition by the same company is the longest running of any competition in professional football and since the initial sponsorship agreement in season 1984-85, three-quarters of a million pounds has been invested. In the context of Third and Fourth Division football, the Leyland DAF Cup was the undoubted success story of the eighties with increasing spectator interest and gate receipts which was reflected in greater media coverage.

The preliminary round sees the 48 competing clubs divided into two regional areas with both the northern and southern sections containing eight groups of three clubs each. Matches are played on a 'round robin' basis, the top two teams from each group going through with the winners seeded at home for the First Round of the knockout stages of the competition. The north/south division is retained until the regional winners meet in the National Final at Wembley Stadium in May.

In addition the original Second Division and Third Division, North and South, Championship Shields will be on show. The FIFA Fair Play Trophy, which the England team brought home from Italia '90, completes the prestigious line-up. Stadia '90 has been arranged to give companies involved in stadia design and development the opportunity to present their products to clubs, who in turn can now explore the market under one roof.

Newly relegated Stoke City look like being the best supported club in Division 3 this season. After 4 home games they average 13,407, including a season's best home crowd of 16,009 for the visit of Birmingham. Stoke's average is nearly 6000 higher than that of second placed Tranmere. Chester's move to Macclesfield had led to their average falling to 2,053.

Reports and events from years past

2nd OCTOBER

1890/91: Notts County gained revenge for the defeat on the opening day by beating Bolton 3-1 on home soil. It was the Wanderers' third consecutive defeat, Jim Cassidy scoring the goal.

1897/98: Bolton made their first visit to Villa's new ground at Aston and took the lead after only 18 seconds through David Nicoll. He hit a second from 25 yards in the 23rd minute but Villa hit back after the interval. Jack Sharpe scored two to equalise and Jimmy Cowan scored a third from a suspiciously offside position. To cap it all the referee blew for time almost two minutes too early.

1909/10: Goals from Jimmy Hogan and Billy Hunter weren't enough to prevent Bolton going down 3-2 at Chelsea.

1915/16: A crowd of about 50 were at Burnden to see Bolton go down 7-0 to Southport Central in a Lancashire section war game. 1926/27: Bolton recorded their third consecutive win thanks to a David Jack penalty goal against Birmingham at Burnden. Ted Vizard was made captain for the game as he took his third benefit.

1937/38: The Wanderers went to the top of Division One after crushing Leicester City by 6-2 at Burnden. There was a

brace each for Ray Westwood (including his 100th League goal) and Harry Goslin whilst Jack Milsom and Alec Carruthers made up the half dozen.

1954/55: A goal from Harold Hassall secured a point from a 1-1 draw with Sunderland at Rooker Park. Bolton were without the services of Nat Lofthouse who was on England duty.

1971/72: First half goals from Roy Greaves and

Garry Jones defeat Mansfield Town at Burnden.

1982/83: A 12th minute Dave Hoggan goal is enough to win the points against Crystal Palace at Burnden and end a run of five consecutive defeats.

1984/85: Walsall are defeated 3-1 at Burnden, Tony Caldwell, Steve Thompson and George Oghani finding the net whilst Simon Farnworth saved a penalty, his third in successive games.

DERBY DESPAIR

A game that was somewhat tarnished by the injury to Bolton old boy John Thomas in the very first minute. Preston opened the scoring in the thirteenth minute and that's the way it stayed until a fine Julian Darby strike, his fifth of the season levelled matters early in the second half. More Bolton pressure followed but the game turned in Preston's favour when they were awarded a spot kick for a foul committed by Scott Green. Ian Bogie converted and sealed victory for Preston.

Reebok

REEBOK and BOLTON WANDERERS

We, at Reebok, are delighted to be proud sponsors of Bolton Wanderers Football Club.

Our link with the football club is a natural one given our history. In the early 1890's Joseph William Foster of Bolton, a keen runner and member of the Bolton Primrose Harriers, wanted a pair of spiked running shoes. Little money and a distinct absence of manufacturers led to a simple solution and so he made the first "Foster" running shoe. By 1900 Joseph had improved his technique sufficiently to set up his own business at 59 Deane Road, Bolton. Soon Fosters running shoes were a favourite amongst Olympic and professional athletes and a companion company Reebok was established. Today the Reebok name is famous around the world for the performance characteristics, comfort and style which were the hallmarks of Joseph Foster's early shoes.

Our International Head Office is based in Silverwell Street and our Bradley Fold factory manufacturers specialist athletic shoes and cricket boots. We have been delighted to work with Bolton Metro Leisure Services in staging the National Finals of the Reebok 5-a-side football tournament in Bolton Town Square in early September—an event which involved over 13,000 boys nationally and which we feel epitomises the Reebok spirit.

As you can see Reebok and Bolton have a natural link—we look forward to a successful season with Bolton Wanderers.

A look at some of the great soccer stars

DAVID BROWN

DAVID BROWN is a well seasoned professional and yet he's still looking for the ticket to success.

At the present time this looks to be 'on the moon' since Halifax have had their worst possible start to the season and currently hold 92nd position in the Barclays League. But David has conceded fewer goals than Derby's former England keeper Peter Shilton so far. At Northampton last Saturday David said, "We should have won because we created the chances but these resulted to nothing. In the previous games we have not had the chances."

Halifax however have another slight problem on their hands at the moment, deciding how they might oust F.A. Cup winners Manchester United from the Rumbelows Cup. David explained, "In the last round we built up a comfortable 2-0 cushion at home to Lincoln and then lost 1-0 in the second leg which didn't please the manager. When the draw was made the following day and the name of Manchester United came out, I think the whole town of Halifax was set alive because United are the top

DAVID BROWN HALIFAX TOWN

one to pull. Everybody in Halifax were over the moon and the tie guaranteed a good gate and revenue to the Club."

David however doesn't like to be reminded of a record set in the same competition in 1983 when it was known as the Milk Cup. "It was during my spell at Bury and we drew West Ham at Upton Park. I broke my thumb the day before the

game and because there was no one else at the Club I had to play." The Shakers suffered a 10-0 defeat—enough said.

Last week's first leg encounter with United wasn't so much embarrassing. David continued, "The game was balanced at 1-1 until the last minutes when United got two more. I was disappointed in myself with their first goal, a free kick. I thought

he was going to try a chip over the wall but it was blasted into the net. The other two I had no chance when Brian McClair volleyed home and the third went in off Neil Webb's shoulder. Having never played at First Division level I don't know how to rate United. They were quite physical and combined this with skill. They are not a dirty team but you know that you are in for a battle especially when Mark Hughes is around." Looking forward to the second leg, David said, "It will be my first appearance at Old Trafford but it would have been better to go there at 1-1. However there should be a big crowd and we will give it our best shot."

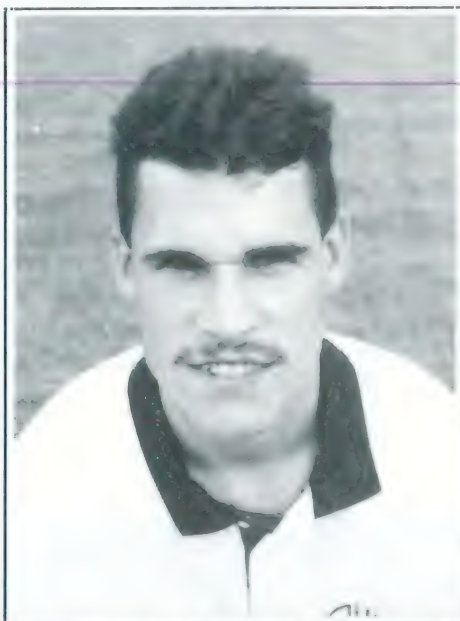

Realistically Halifax shouldn't have a chance but United meanwhile have other things on their minds with a second leg European tie in Hungary looming and if Halifax captain Dave Evans can produce another scorcher the Shaymen could be in with a shout. Dave concluded "Yes, his goal gave us a real lift. He normally blasts them from that sort of distance but I think the ball was played a little bit too close to him and he opted for the chip over Jim Leighton. That gave the media more ammunition to have a go at Leighton who is their target at the moment."

STUART began his football education at Mansfield Town, tonight's visitors, who he joined straight from school as a YTS player. He had previously played with the Wolves Under 16s side but signed for Stags Manager Ian Greaves where he made his League debut as a sixteen year old against Torquay in a 4-0 victory. Stuart recalls that game, "It was an easy victory, but a very welcome one at that time because we were struggling at the wrong end of the Fourth Division and hadn't won for quite a while."

Stuart stayed at Field Mill for just twelve months before he and eleven other YTS players were released due to financial circumstances. He had enjoyed his time there but it wasn't long before Birmingham boss Ron Saunders signed him up for the then First Division outfit. Making his debut at 17 in a League cup tie at Plymouth, Stuart went on to face both Liverpool and Arsenal for the Blues but unfortunately relegation was suffered that season and along with Second Division football, he had a new manager, John Bond.

It wasn't long before Stuart's electrifying pace and tricky wing play made him catch the attention of Merseyside giants, Everton, who swooped to take him and team-mate Wayne Clarke to Goodison. Stuart

enjoyed his spell at Everton immensely and although he never made his first team debut for the club he was regularly involved in the first team squad and played a leading role in the reserve side who finished runners-up in the Central League. While at Everton Stuart had a 3 month loan spell at local neighbours Wigan Athletic where he played 12 games, impressing the Latics enough for them to try and make the signing permanent but unfortunately for Wigan at that time they couldn't afford Everton's valuation of £80,000.

Stuart returned to Goodison but within six months he was on his way to Burnden Park joining the Whites initially on loan, a debut on Boxing Day in a goalless encounter at Hartlepool. "Yes that really brought me down to earth. Having to change in the porta cabins at Hartlepool" commented Stuart. Having impressed in his loan spell, Stuart had no hesitation in joining Bolton permanently and he went on to play his

part in helping to win promotion back up to the Third Division at the first time of asking.

There's no doubt what Stuart's biggest disappointment is in his career so far and that's when he was dropped down to the subs bench for the Sherpa Van

Final against Torquay at Wembley. Stuart did come on and he made a lasting impression with his fine run which made the fourth goal for Trevor Morgan which nobody will forget when big Trevor did that famous 'sumo forward roll' in the ensuing celebrations.

Stuart's most enjoyable goal for the club so far was his fine strike in the 3-1 away win at Tranmere Rovers last season. He also rated last year as his most consistent season, one that no doubt most opposing full backs will agree with as he tormented them down the Burnden Park wings.

Recently moved to a new home in West-houghton, Stuart married to Tina, who is a conference co-ordinator for the Lord Daresbury Hotel in Warrington; they met back in their school days in Rugby. Relaxing off the field Stuart likes nothing better than going fishing occasionally with his team-mates David Felgate and Kevin Rose. Snooker and golf also occupy his leisure time as well as taking family pet, Cassie (a golden retriever) for long walks.

Doing well for the Wanderers is Stuart's immediate aim and he is determined to help the side climb back up the Third Division table, ready for another push for promotion.

After opening the season with two disappointing home defeats the reserves produced a much improved performance on the plastic pitch at Deepdale.

In what was an entertaining encounter Bolton got off to a great start when they took the lead in the 2nd minute.

Neil Fisher caused havoc in the North End defence, brushing aside two challenges before playing the ball forward into the patch of Craig Lewin who ran on to shoot underneath the advancing Alan Kelly for his first central league goal.

Minutes later Kelly blocked a Fisher shot and from the rebound Stuart Storer's cross found Lewin who headed narrowly wide.

to look dangerous and Graham Shaw saw two good opportunities fall his way. Firstly he shot over from 10 yards out and then his goalbound effort was spectacularly pushed away by Kevin Rose.

Bolton went two up in the 21st minute, Gary Henshaw converting a penalty after Steven Greaves had pulled down Craig Lewin as the youngster was about to get clean through.

Kevin Rose prevented any hopes of a Preston revival two minutes from the interval with a brilliant reflex save from a close range shot by Steven Anderton.

Wanderers continued to look dangerous during the second half and Alan Kelly twice denied them with good saves.

Firstly he deflected a 20 yard shot from Mike Jeffrey onto a crossbar and, in the 65th minute he turned away Gary Henshaw's second penalty kick of the evening, awarded after Stuart Storer had been brought down by Andy McAteer.

REVIEWING 1977...

Voted Third Division Programme of the Year last year, Brentford have kept mainly to the successful layout of last season, priced at £1.10p, a 10p increase on last year it is a good all-round read with one or two very good columns.

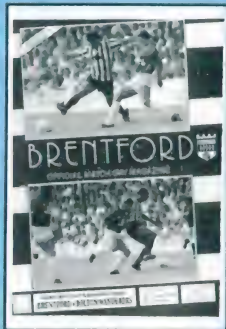

The coverage on the Wanderers is excellent with plenty of historical and present day material to read. Two of my favourites in the magazine were Time Warp, coverage of a game from the two sides way back in 1934 and Hall of Fame which featured Bolton old boy Francis Lee.

Overall view of the programme is that we will rarely see better on our travels this season, well produced but maybe a little pricey at £1.10p.

SAFE HANS

A lighthearted look at football

THANK goodness September is out of the way. I can't remember a month like it when results, bad luck, sendings-off, call it what you like, but things have certainly gone wrong and I for one am praying for a change in fortune as well as three points tonight.

Since the disappointment of the home defeat against Preston in which our old favourite and North End striker John Thomas broke his leg (we of course send our best wishes for a speedy recovery) we have had three very trying away games to deal with. The first of these at Brentford was a major disappointment to the Bolton fans who made the long journey down to Griffin Park, although at 2-2 with only 15 minutes left we could have salvaged something from the game. The Rumbelows Cup clash at Coventry was another

AWAY DAY BLUES

story altogether with the lads putting up a tremendous performance with the 4-2 scoreline to the Sky Blues being very unjust. All we can hope for is, that in the return leg next week we get a bit more rub of the green as Coventry got in that first leg. Mark my words, the tie is not over with by a long way yet. But finally—and I know it's hard to stomach—last Friday night's defeat at Wigan, don't want to talk about it really, it's too sickening.

Having a free Saturday afternoon I decided to pay a visit to Crilly Park, the home of Atherton L.R. of the North West Counties who were involved in a

F.A. Cup tie against Bangor City of the H.F.S.

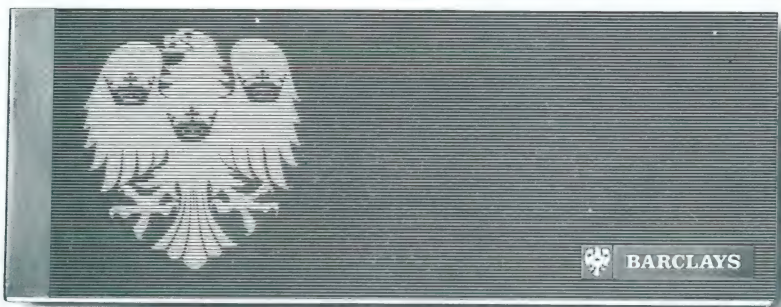

Loans League, and I can honestly say I wasn't disappointed. This progressive local club have made great strides in the last few years, improving the standard of their ground by the installation of floodlights, etc. The officials of the club did a super job organising a larger than usual crowd who really got behind the Atherton lads and although they couldn't force a result on the day they were very unlucky not to claim the scalp of the North Wales side. The goalless scoreline did not reflect the excitement of the ninety minutes and in fact only the

woodwork twice saved Bangor, once from the penalty spot. I thoroughly enjoyed the whole afternoon at Atherton L.R., especially the half time period when the purchase of a cup of black peas proved to be a good move—my compliments there to the catering staff.

With three home games to look forward to, let's get right behind the lads from the opening whistle. Remember it's a new month, let's have a new start and hopefully a few wins that will get us back up the table.

On closing I would just like to give a warm welcome to Burnden Park to new signing Mark Seagraves, who joined us last week from Manchester City. He performed very well on his debut last Wednesday at Coventry, marking the dangerous Cyrille Regis and we wish him well down here at the Wanderers.

A look back at the recent past

Mansfield Town make their sixth League visit to Burnden Park tonight with all previous encounters having taken place in recent history.

Neither side have managed to score more than twice in any of the past games, the Wanderers managing that feat on the Stags first visit in October 1971. For this game Bolton brought back Ian Seddon, Alan Waldron and Graeme Rowe after going three games without a win in the Third Division.

After 5 minutes the Wanderers went in front when a Roy Greaves shot proved too hot for keeper Graham Brown to hold and the ball flew over the line.

On the half hour Brown was once again at fault this time failing to hold a Garry Jones shot which became Wanderers second goal of the after-

noon. After this win Bolton were three points behind leaders Aston Villa and Bournemouth with a game in hand.

The following March Bolton made their first visit to Field Mill and went down 1-0 to a 27th minute goal from ex Horwich RMI striker Frank Wignall. This still stands as Bolton's only defeat at Mansfield.

Wanderers completed the only double in games between the clubs during 1977/78 this time at Second Division level. At Burnden two Frank Worthington goals in as many minutes

settled the issue whilst a 25 yard blast from full back John Ritson did likewise at Field Mill.

Our paths didn't cross again in the League until November 1986 when a 2-2 draw resulted. The following January Mansfield took the points from Burnden for the first time with Keith Cassells scoring the only goal of the game.

In 1988/89 both encounters resulted in draws, the match at Burnden being scoreless whilst a 1-1 draw was the outcome of the game at Field Mill that saw the home side end with only nine players

after John Ryan and Mark Kearney had been sent off early in the second half.

Last season Mark Winstanley scored his only goal of the term to put Bolton in front at Burnden but the Stags won a point courtesy of a Steve Charles goal eight minutes from time. A Julian Darby goal separated the sides in the return last March.

Our overall League record against Mansfield reads as follows:

	P	W	D	L	F	A
Home	5	2	2	1	5	2
Away	5	2	2	1	5	4

PLAYED FOR BOTH CLUBS

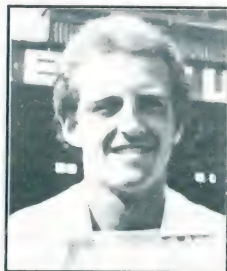

NEIL Whatmore was yet another player from the Ellesmere Port area to progress through the Wanderers youth ranks and into the Wanderers League team.

He made his debut in April 1973 in a 3-2 win at Swansea scoring twice and became a regular in the club's Second Division side that won promotion after two near misses.

He led the club's leading goalscoring charts on five occasions and in August 1981 moved to Birmingham City, teaming up with Frank Worthington, in a £340,000 deal that still stands as Bolton's record transfer receipt.

He made only 26 League appearances for the Blues before returning to Burnley for a loan spell in December 1982 before moving on to Oxford United. He again came back to Bolton in March 1984, again on loan, but the club couldn't afford the fee to make the move permanent.

After a spell at Burnley

**NEIL

he went to Mansfield where he was a member of the side that won the Freight Rover Trophy in 1987.

In August 1987 he found himself at Burnley for the last time and although he didn't make any further appearances he became the only player in the club's history to have been on the books through their membership of all divisions of the football league.

SEASON BY SEASON

A look back at years gone by

1924/25 SEASON

ONCE again the club made a slow start to the League campaign not recording the first victory until the fifth game by 1-0 over Notts County at Burnden.

The fixtures reverted to the pre-war system of playing each club in each half of the season and the Wanderers engaged 34 professionals for the term including £4400 buy Joe Cassidy, a centre forward from Glasgow Celtic. He scored his first goals for Bolton in a 3-3 draw with Bury at Burnden, but there was now plenty of competition for the forward places.

During October and November Bolton remained unbeaten. Arsenal were defeated 4-1 at Burnden in a game that saw Joe Cassidy, whose place had gone to John Smith, taking over the role of linesman, the official turning up late.

A fortnight later it was Smith's turn to be ousted by Cassidy for the visit of League Champions Huddersfield. Cassidy scored the winning

goal and Smith asked to go on the transfer list. He returned for the next home game and scored a hat trick in 13 minutes as West Ham were beaten 5-0. The other two goals came from Cassidy.

Only a reverse at Sheffield United put a blot on Bolton's record to the end of 1924. On Boxing Day there were unprecedented scenes at Nottingham Forest when the homeside were awarded a penalty. No Forest player wanted to take the kick and the game was held up for five minutes. Normal penalty taker Harold Martin had left the field injured and he returned to take the kick which he converted in a 1-1 draw.

Bolton entered the New Year in 3rd place

then took on and defeated Huddersfield by 3-0 before a 50412 Burnden crowd in the first round of the Cup.

On January 17th a 1-0 away win at Notts County put the Wanderers into 2nd place two points behind leaders West Brom. Four days later the Lancashire Cup was captured when Blackpool were beaten 2-1 at Burnden thanks to a last minute winner from Harry Nuttall.

Any hopes of FA Cup glory again went at the 2nd round stage when, after a 1-1 draw in London, Spurs won 1-0 to become the only side to keep a clean sheet at Burnden during 1924/25.

Two successive away defeats by 1-0 at

Sunderland and Preston, who were already doomed to relegation, saw the Wanderers slip to 5th place but home form remained impressive. Burnley were beaten 5-0, Manchester City 4-2 and Aston Villa 4-0. Joe Smith netted 7 goals in these 3 games grabbing a hat trick against City. Whilst goals were flowing at Burnden the club had difficulty in finding the net on their travels. Apart from reverses at Spurs on the opening day, and Sheffield United all defeats came by a 1-0 margin.

Despite only one defeat, at Leeds, in the final ten games the Wanderers had to settle for third place, three points behind champions Huddersfield Town.

The highlight of the season was undoubtedly the clubs sparkling home form. The last two matches of the season saw Blackburn defeated 6-0, David Jack scoring 4 times, and Liverpool beaten 2-0 as the club recorded their 17th successive home league win.

During March the Wanderers took part in an experiment during a friendly against Manchester City. The Wanderers won 3-0 but there was no offside in operation 40 yards from goal.

In the summer Walter Rowley was appointed coach to the reserves in succession to Fred Scotchbrook who joined Southport as manager.

HELPING THE GAME

A line new stand - one of the many initiatives supported by Trust funds.

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zetters. This money will be invested in projects which benefit football throughout the United Kingdom.
